- Visioning for a Stronger Community

Join your neighbors to celebrate our community!

The 2025 Gathering, almost one year since Hurricane Helene wreaked her havoc, holds special significance as we reflect on recovery and renewal. Our physical environment suffered serious wounds. Our strength as individuals and as a community were tested and it's time to honor our resilience. The Gathering will be a time to reconnect with our land and each other. Through (art)work projects designed to add beauty we will continue to rebuild and recharge! Stay tuned for a follow-up email with details but let us know soon whether to expect you. Festivities will begin Friday at 5:00 pm and wind down by 2:00 pm on Sunday. *(Sunday is for High Cove owners only.)*
